

MERCWORKS

We are gathered here
today to join these
two horrible monsters
in probably unholy
matrimony

God I love weddings

This is kinda weird.

The tentacles getting married makes sense but why is your clone doing the ceremony?

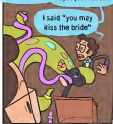

Normally we don't really talk but he's an ordained minister and he's giving me a "same guy" discount

Whoa, hey now

maybe you misheard

I said "you may
kiss the bride"

wait

WAIT

NO

AHHHHHHH

OH LORD

Did I just watch
myself die?

Omigod, let's skip
the reception.
